Brookville Edges Out Appomattox 6-0

Brookville High School scored a touchdown with 5:46 left in the game on a so-called freak play for a 6-0 win on Appomattox County H.S. last Friday night at Appomattox. It was the first Seminole District game for Appomattox as they are now 0-1-0 and 0-1-1 over all.

The Bees scored on their third series of plays late in the game when they went 84 yards on seven plays that ended on a pass from James Myers to Donald Stallard that covered 66 yards. The pass was thrown and the Appomattox defender got under the ball and instead of knocking it to the ground, he reflected it back up in the air so the Brookville receiver got under it again to make the catch and go in for the score.

Appomattox and Brookville both made 91 yards rushing on the ground and Appomattox had seven first downs to six for Brookville. The big difference was in the passing where Brookville gained 147 in the air to 42 for Appomattox. Donald Stallard was the ace receiver for Brookville with two receptions good for 112 yards and a touchdown.

Rodney Smith led Brookville in rushing with 41 yards and Jeffery Myers had 34. Welton Gafford was the workhorse for Appomattox with 44 yards and Steve Wilson had 25 rushing.

Appomattox ran 51 offensive plays to 48 for Brookville.

Lee Conner, Picky Williams, Billy Guthrie and James Goode led the Appomattox defense with close to 80% of the Appomattox tackles. Dennis Wilkerson recovered a fumble for Appomattox.

Paul Bowen, David Lunsford and Robert Tyler led Brookville's defense, Tyler had 12 tackles credited to him alone and a pass interception that stopped the last Appomattox drive late in the fourth quarter.

Meet Gafford & Guthrie!

Billy Guthrie, Lineman of the Week, demonstrates a tackle with Half-back Welton Gafford carrying the ball, part of an afternoon's workout Monday by the Appomattox County High School team. Guthrie has been named Lineman of the Week and Gafford Back of the Week. Both players will receive a dinner at Maude's, compliments of the restaurant. Appomattox plays Randolph-Henry this Friday at 8 p.m. at Charlotte Court House. Billy is a sophomore playing his second year on the varsity. He also played with the Jayvees. He is the son of Mr. and Mrs. Bennie Guthrie. Welton Gafford is a senior, a four-year veteran player, first for Carver-Price under Coach Joseph Lewis; now a varsity player for Coach Jerry Robinson. He is the son of Mrs. Mattie Gafford. Billy's performance Friday included 8 unassisted tackles and he was in on numerous other tackles. He was called on for double-duty when offensive tackle Mark Weatherly got hurt. He did an outstanding job. Coach Robinson says that Welton is improving with each game -- proving with each game -- "We look for him to break a couple of ball games wide open."

CORRECTION

Through an error by the T-VIRGINIAN, one player's name was omitted from the picture of the Jayvees of last week's paper. Doug Marshall, son of Mr. and Mrs. James D. Marshall of Oakville, was at top right of picture. All the team are working hard this year, and the T-VA will make every effort to get proper recognition for all the players.

$2 Buys Season Permit For Hunting

Westvaco Corporation's Timberlands Division is continuing its 70,000 - acre Virginia Woodlands hunting program for the 1970-71 season. Thirteen counties in the Piedmont are involved.

J. M. Crockett of Lynchburg Virginia Woodlands Manager, said the program is one phase of Westvaco's multiple-use stewardship of some 1 million acres, principally in 10 Eastern states. Crockett said qualified hunters share opportunities on Westvaco lands by purchasing $2 season permits on about 70,000 acres; membership in organized hunting and conservation clubs which lease some 10,000 acres; and through participation in supervised use of 3,800 acres under cooperative management with the Virginia Department of Game and Inland Fisheries.

Permits are $2 each for the season through Westvaco's Timberlands Division office in Lynchburg, Crockett said. Maps of the county of interest are available on request. Applications for permits must include name, address and zip code, $2 cash, money order or check; and the number of the registered state hunting license for the current season, with a self-addressed, stamped envelope to assure prompt return.

Only 7 Days Left To Register For Local PP&K Competition

There is just days remaining for boys in Appomattox County to register for the local Punt, Pass & Kick Competition, once.

Lawson Ford, Inc. (formerly Grinels Motor Co), Ford Dealer sponsoring the popular youth activity in this area, said that registrations would be taken through Saturday, Sept. 26. The Appomattox PP&K Competition is scheduled for Oct. 3 at 1 p.m. at Appomattox County High School.

"Although time is growing short, any boy 8-13 years of age can still compete," said Dick Bland, "All he needs to do is come into our showroom, accompanied by a parent or guardian, and fill out the PP&K registration form. There's no entry fee or charge of any kind, and that goes for all six levels of competition, up to and including the national finals."

The Ford Dealer pointed out the 1st, 2nd and 3rd place trophies will be awarded in the local competition in each of the six age groups. Increasing the boys' chances of winning one of the 18 trophies is the fact that each boy competes against other boys his own age. And since there is no body contact, a boy's size is not as important as his ability to punt, pass and place-kick for distance with accuracy.

"Winners can keep right on going up through the zone, district, area and division contests to the national finals," the Ford Dealer said. "It's possible that one or more of our local winners would wind up in the finals, which this year will be held at the pro All-Star Game in Los Angeles on January 24. That means an all-expense -paid-trip to the Coast for the contestant and his parents, a special tour of Disneyland, a Banquet of Champions celebration, and the chance to meet some of the top professional players and coaches.

"Registering for PP&K right now in our dealership could mean all that for some youngster or youngsters here in Appomattox County, but they should register right now," the dealer concluded.

When he registers, each boy gets a free PP&K Tips Book. It contains helpful pointers from the pros on punting, passing and kicking. In the '70 edition are suggestions from NFL stars Dave Lee, Bill Nelsen and Fred Cox, plus Coaches of the Year Hank Stram and Bud Grant. Complete PP&K rules and suggested conditioning exercises for contestants are also included.

This is the 10th anniversary year for PP&K. Free registration blanks for the competition are now available and have been sent to the principals of Appomattox County schools. Additional PP&K registration forms may be obtained at the Ford Dealership at any time more convenient for the growing armies of boys in America.
